

For public release February 18th 2016, the last black history month under the Obama Presidency of the USA **CONFERENCE CALL TONIGHT 18 FEB 2016 AT 9PM EST 641.715 3580 PIN 480688#**

President Obama has used the 2015 UPR process to declare that the number one humanitarian problem in the USA is RACISM and the number two is our JUSTICE SYSTEM. Our answer is a \$5T purchase of debt generated by FAU Chamber of Commerce members. Our solution is being detailed during Black History Month 2016 with 1,000 new partners. Together we will ask that the President to issue orders to the Treasury Secretary to order our US federal government agent, the US Federal Reserve, to buy debt that creates 7 million jobs and grows a million small businesses born of economic justice in 300 markets. My Brother's Keeper of Africa is the vehicle to do this through the FAU Chamber NY's United States of Africa. We also request that he ask his wife and the wife of the Vice President to represent his administration in this effort.
